

**SUMMER
SPRINGBOARD**
Look Inward. Go Upward.

Criminal Justice Infosheet

New student admissions for
Summer 2024 are open.

Program Highlights

- Explore topics such as criminal Law, criminal investigation, US courts, and legal concepts.
- Learn to read, comprehend, and write Law clearly and concisely.
- Develop the skills to debate both sides of a case while assessing the risk factors involved.
- Engage in in-depth discussions of constitutional issues with the guidance of experienced professionals in the field.
- Gain practical insights by attending real-life criminal court proceedings and witnessing legal processes.
- Develop critical thinking, logical reasoning, and problem-solving skills crucial in criminal justice.
- Analyze and review case studies based on current events to understand their relevance and impact on the justice system.

Academic Program Overview

Do you want to make a difference in your community? How can you be the force for change in a dynamic world where the justice system constantly evolves? You can do so by exploring the world of Criminal Justice! Through immersive, hands-on learning experiences, you'll not only comprehend the intricate workings of the criminal justice system but also discover its profound impact on society. This program offers an exciting opportunity for students to dive headfirst into the thrilling world of Law and advocacy, with a focus on constitutional issues, risk management, and the riveting complexities of both defense and prosecution within the realm of legal challenges. Get ready to make a real difference in the world of justice!

Excursions

Embark on eye-opening excursions, potentially including visits to the local courthouse and police precincts, where you'll gain exclusive insights into the workings of the legal world. Meet with law enforcement professionals, including lawyers, activists, and federal agents.

2024 Dates

University of Michigan

- Session 1: July 21 - August 02

Instructors

Dr. Laur Rubino

Dr. Laur Rubino holds a Ph.D. from the University of Cincinnati's School of Criminal Justice and earned their M.S. and B.S. in criminal justice, along with a B.A. in psychology from Wayne State University. Their research, spanning the last decade, focuses on issues within the criminal/juvenile legal system, voting rights, wrongful convictions, and the intersection of identities. As a part-time professor at Wayne State University, they teach courses on Gender and Crime, Domestic Violence, and LGBTQ+ Topics in Criminal Justice, while also leading Their Research, a consulting agency, and co-founding Voting Rights Now (VRN) to champion voting rights for those in the criminal legal system.
