

INTERNATIONAL BUSINESS

COURSE INFOSHEET

PROGRAM HIGHLIGHTS:

- Introduction of the fundamental principles of business operations on an international scale
- Learn how companies grow and interconnect in the global marketplace
- Understand how political, legal, economic and cultural factors can affect international business
- Visit the headquarters of a multinational company for a first-hand look at operations

ACADEMIC PROGRAM OVERVIEW:

This course gives students the tools to understand and appreciate the various aspects of conducting business in an international marketplace. Students have the opportunity to learn how (and why) companies choose to work across borders and the pros and cons of doing so. The class will do a case study of a well-known, large international organization allowing them a broader understanding of how politics, culture, geography, and history influence a company's decision to go global.

INSTRUCTORS:

Instructor at Georgetown - **Peter Pin**

Peter Pin is a veteran Executive with over 30 years of experience in the telecommunications industry encompassing sales, engineering and business development. Peter has served in a variety of roles within the information technology space, covering markets across North America, South America and the Caribbean. Peter regularly teaches at George Washington University, Catholic University of America and lectures annually at Georgetown University. He also mentors young professionals and veterans on navigating business challenges and reaching their career goals. In addition, through ACP and FourBlock, he has assisted veterans as they transition to civilian life. Pin earned his masters degree in International Management from The American Graduate School of International Management and holds a bachelor's degree in business from West Virginia University.

 **International Business Instructor - Peter Pin - Georgetown**

CURRICULUM ADVISOR - Peter Mombaur, MBA

While instructors vary each year, the Curriculum Advisors ensure continuity in our curriculum. This course was designed by Peter Mombaur. Peter's experience ranges from being a management consultant with McKinsey & Co. to being CEO of a telecommunications company, and most recently, managing a private equity.
