Summer Springboard programs are not run by our campus partners. Universities and their affiliated departments are not responsible for the Summer Springboard program in any way. This program is not sponsored by the University of California.

## Student Life

While living like a Berkeley undergrad, enjoy hanging out in the common areas, both indoors and out. This is California, after all! Also, don't forget to grab some of the best local coffee or boba tea in the neighborhood while you're here. Telegraph Avenue is a great spot to meet with friends for a quick outing.

## Lodging and Meals

Students share a dorm room (without A/C) and use a common bathroom - just like freshmen on campus often would! Lodging will be in the Unit 2 Residence Halls Complex. Meals will be at Crossroads Dining Commons or at local eateries in Berkeley which can accommodate most diets.

## Afternoon Labs

In the afternoons, the middle school students participate in academic labs that will give them time to tinker on their course projects or work on a hands-on project that will bring their learning to life.

## Requirements

- Middle School Program: Students must be between the ages of 11-13 and have finished 6th grade
- A grade point average of 3.0 (or equivalent)
